African Business and Entrepreneurs Network (ABEN) Business Dinner is a prestigious event of its kind to be held in Bonn, Germany. This grand event will be an excellent opportunity for companies/firms/organisations to orient target groups with career opportunities, products and services, as well as acquainting participants with what differentiates your firm from its competitors.

The **ABEN** Business Dinner will begin with a networking reception for participants. A charitable silent auction will also be held at this time, featuring items donated by a plethora of sponsors. Following the reception, a three-course dinner with complimentary wine will be served. The Dinner will be an excellent opportunity for discussions in particular fields, industries and/or companies. It will also provide a means for participants to network, and share their personal experiences on the variety of paths to success. The evening then continues with a presentation from a keynote speaker, who will motivate and inspire us with her/his success story as an entrepreneur and business professional.

Stay tuned for news on who will be our keynote speaker for 2007!
